

# UNIFORM

All pupils at Quest Primary are required to wear school uniform. It helps children to identify with and have pride in the school, ensures suitable clothing for school activities and promotes equality through all children having the same attire. It's important that all adhere to the Policy.

All children will be expected to wear correct uniform at all times. Children who do not arrive at school wearing the correct uniform will be given spare uniform to change into and wear during the school day. This will then be returned to the school after the end of the school day.

All clothing should be clearly marked with the child's name. Shirts, polos, skirts, dresses and trousers can be obtained from a variety of sources including most supermarkets and large department stores.

## Nursery & ELP KS1
