

In Maths we will be learning about:

- Time and how to solve problems with time
- Angles
- 2D and 3D shapes
- Statistics
- Bar charts
- Pictograms
- Two-way tables

In science our topic is Animals Including Humans

We will learn about:

- Skeletons
- Functions of different parts of the body
- How muscles work
- Animal skeletons
- Nutrition

In English our texts will be 'Jim, A Cautionary Tale' and 'Our Tower'

- While reading these we will learn how to write narrative poems, warning posters, performance poetry, fantasy narratives, setting descriptions and dialogue.
- We will be using fronted adverbials, writing in paragraphs, using apostrophes, commas to create complex sentences and noun phrases as well as other elements.

In RE our topic is what do Muslims believe about God?

We will learn about who Allah is, the five pillars of Islam, pilgrimage and how Muslims show their beliefs. In this unit, we will also be comparing what we learn about Islam to other religions we have previously studied.

In PSHE our puzzle is Changing Me.

We will learn about the changes that happen from birth (animals and humans).

In Latin our topic is Work, work, work

- We will translate stories about the different jobs slaves would do
- We will look closer at Roman slaves
- We will see how verb endings change depending on who does the action
- We will look at the story of Pandora

In art our topic is Drawing and Printing in the style of Vincent Scarpase

- We will learn how to draw seascapes and draw real fish
- Use printing techniques to replicate an image several times
- Use a variety of mediums including paint, printing, charcoal, pencil and chalk.

In PE our topic is Rounders and Cricket

Our PE days this half term are Tuesday and Thursday
